**CHILD NUTRITION PROGRAM
STATE WAIVER REQUEST
AT-RISK AFTERSCHOOL COMPONENT
PARENT AND GUARDIAN PICK-UP DURING UNANTICIPATED SCHOOL CLOSURES
WAIVER REQUEST
August 14, 2023**

Child Nutrition Programs are expected to be administered according to all statutory and regulatory requirements; waivers to the requirements are exceptions. However, Section 12(1) of the Richard B. Russell National School Lunch Act, 42 U.S.C. 1760(1), provides authority for USDA to waive requirements for State agencies or eligible service providers under certain circumstances. When requesting the waiver of statutory or regulatory requirements for the Child Nutrition Programs (CNP), including the Child and Adult Care Food Program (CACFP), the Summer Food Service Program (SFSP), the National School Lunch Program (NSLP), the Fresh Fruit and Vegetable Program (FFVP), the Special Milk Program (SMP), and the School Breakfast Program (SBP), State agencies and eligible service providers should use this template. State agencies and eligible service providers should consult with their FNS Regional Offices when developing waiver requests to ensure a well-reasoned, thorough request is submitted. State agencies and eligible service providers are encouraged to submit complete waiver requests at least 60 calendar days prior to the anticipated implementation date. Requests submitted less than 60 calendar days prior to the anticipated implementation should be accompanied by an explanation of extenuating circumstances.

For more information on requests for waiving Program requirements, refer to SP 15-2018, CACFP 12-2018, SFSP 05-2018, *Child Nutrition Program Waiver Request Guidance and Protocol- Revised*, Month 24, 2018.

2. Region: Southeast

3. Eligible service providers participating in waiver and affirmation that they are in good standing:

This waiver request applies to all existing and potential organizations participating in the At-Risk Afterschool Component of the CACFP that are in good standing.

4. Description of the challenge the State agency is seeking to solve, the goal of the waiver to improve services under the Program, and the expected outcomes if the waiver is granted. [Section 12(1)(2)(A)(iii) and 12(1)(2)(A)(iv) of the NSLA]:

If and when unanticipated school closures occur, such as during natural disasters, unscheduled major building repairs, court orders relating to school safety or other issues, labor-management disputes, or public health emergencies such as the Covid-19 pandemic, the requirement that meals only be served to participants, may impede participant's access to meals. During these events, At-Risk operators must act quickly to prevent any disruption in participants' access to meals.

During the occurrences listed above, requiring children to attend a meal site to pick up meals may not be practical or safe. Allowing parents and guardians to pick up the meals on behalf of their children maintains the goal of providing meals to children while taking appropriate steps in maintaining the health and safety of the participants.

5. Specific Program requirements to be waived (include statutory and regulatory citations). [Section 12(1)(2)(A)(i) of the NSLA]:

DECAL requests a waiver of regulations at NSLA, 42 U.S.C. 1766(f)(1)(A) and 7 CFR 226.2 (Meals), which requires Program meals to be served to participants at an institution.

6. Detailed description of alternative procedures and anticipated impact on Program operations, including technology, State systems, and monitoring:

Under this waiver, rather than requiring that participants be served meals at a meal service site, operators during unanticipated school closures will allow parents and/or guardians to pick-up meals on behalf of their children.

Operators will continue to be required to maintain point of service counts and all required meal service-related documentation to support the number of participants served and number of meals claimed each month for reimbursement. In addition, operators will be required to advise DECAL of the processes that will be put into place to ensure meals are served to actual parents/guardians of eligible children and that no duplicate meals are served.

DECAL will continue to monitor these programs to ensure that the operators are in compliance meal service and record keeping requirements.

DECAL does not anticipate any impact on Program operations, technology, State systems or monitoring.

7. Description of any steps the State has taken to address regulatory barriers at the State level. [Section 12(1)(2)(A)(ii) of the NSLA]:

DECAL does not anticipate any regulatory barriers regarding this waiver.

8. Anticipated challenges State or eligible service providers may face with the waiver implementation:

DECAL does not anticipate any challenges with the waiver implementation.

9. Description of how the waiver will not increase the overall cost of the Program to the Federal Government. If there are anticipated increases, confirm that the costs will be paid from non-Federal funds. [Section 12(1)(1)(A)(iii) of the NSLA]:

The waiver will not increase the overall cost of the Program to the Federal Government.

10. Anticipated waiver implementation date and time-period:

Requested Waiver Timeframe:

- Waiver Request Start Date: August 30, 2023.
- Waiver Request End Date: June 30, 2024.

11. Proposed monitoring and review procedures:

DECAL will follow the review procedures in accordance with 7 CFR 226.6(m) and provide training and technical assistance to operators in need of additional guidance. DECAL will conduct monitoring visits and reviews to ensure operators are conducting the Program in accordance with USDA regulations.

12. Proposed reporting requirements (include type of data and due date(s) to FNS):

By September 30, 2024, DECAL will provide a report to FNS that will include: a list of approved CACFP At-Risk operators; their approved sites under the waiver; and the number of meals served per site. DECAL will also provide all other CACFP reporting in accordance with USDA regulations.

13. Link to or a copy of the public notice informing the public about the proposed waiver [Section 12(1)(1)(A)(ii) of the NSLAI]:

A copy of the public notice can be found on DECAL's website at:
