

Different Like Me!

Department of Early Care & Learning
Inclusion & Behavior Support

Our differences
are what make us
strong, like
superheroes we all
belong!

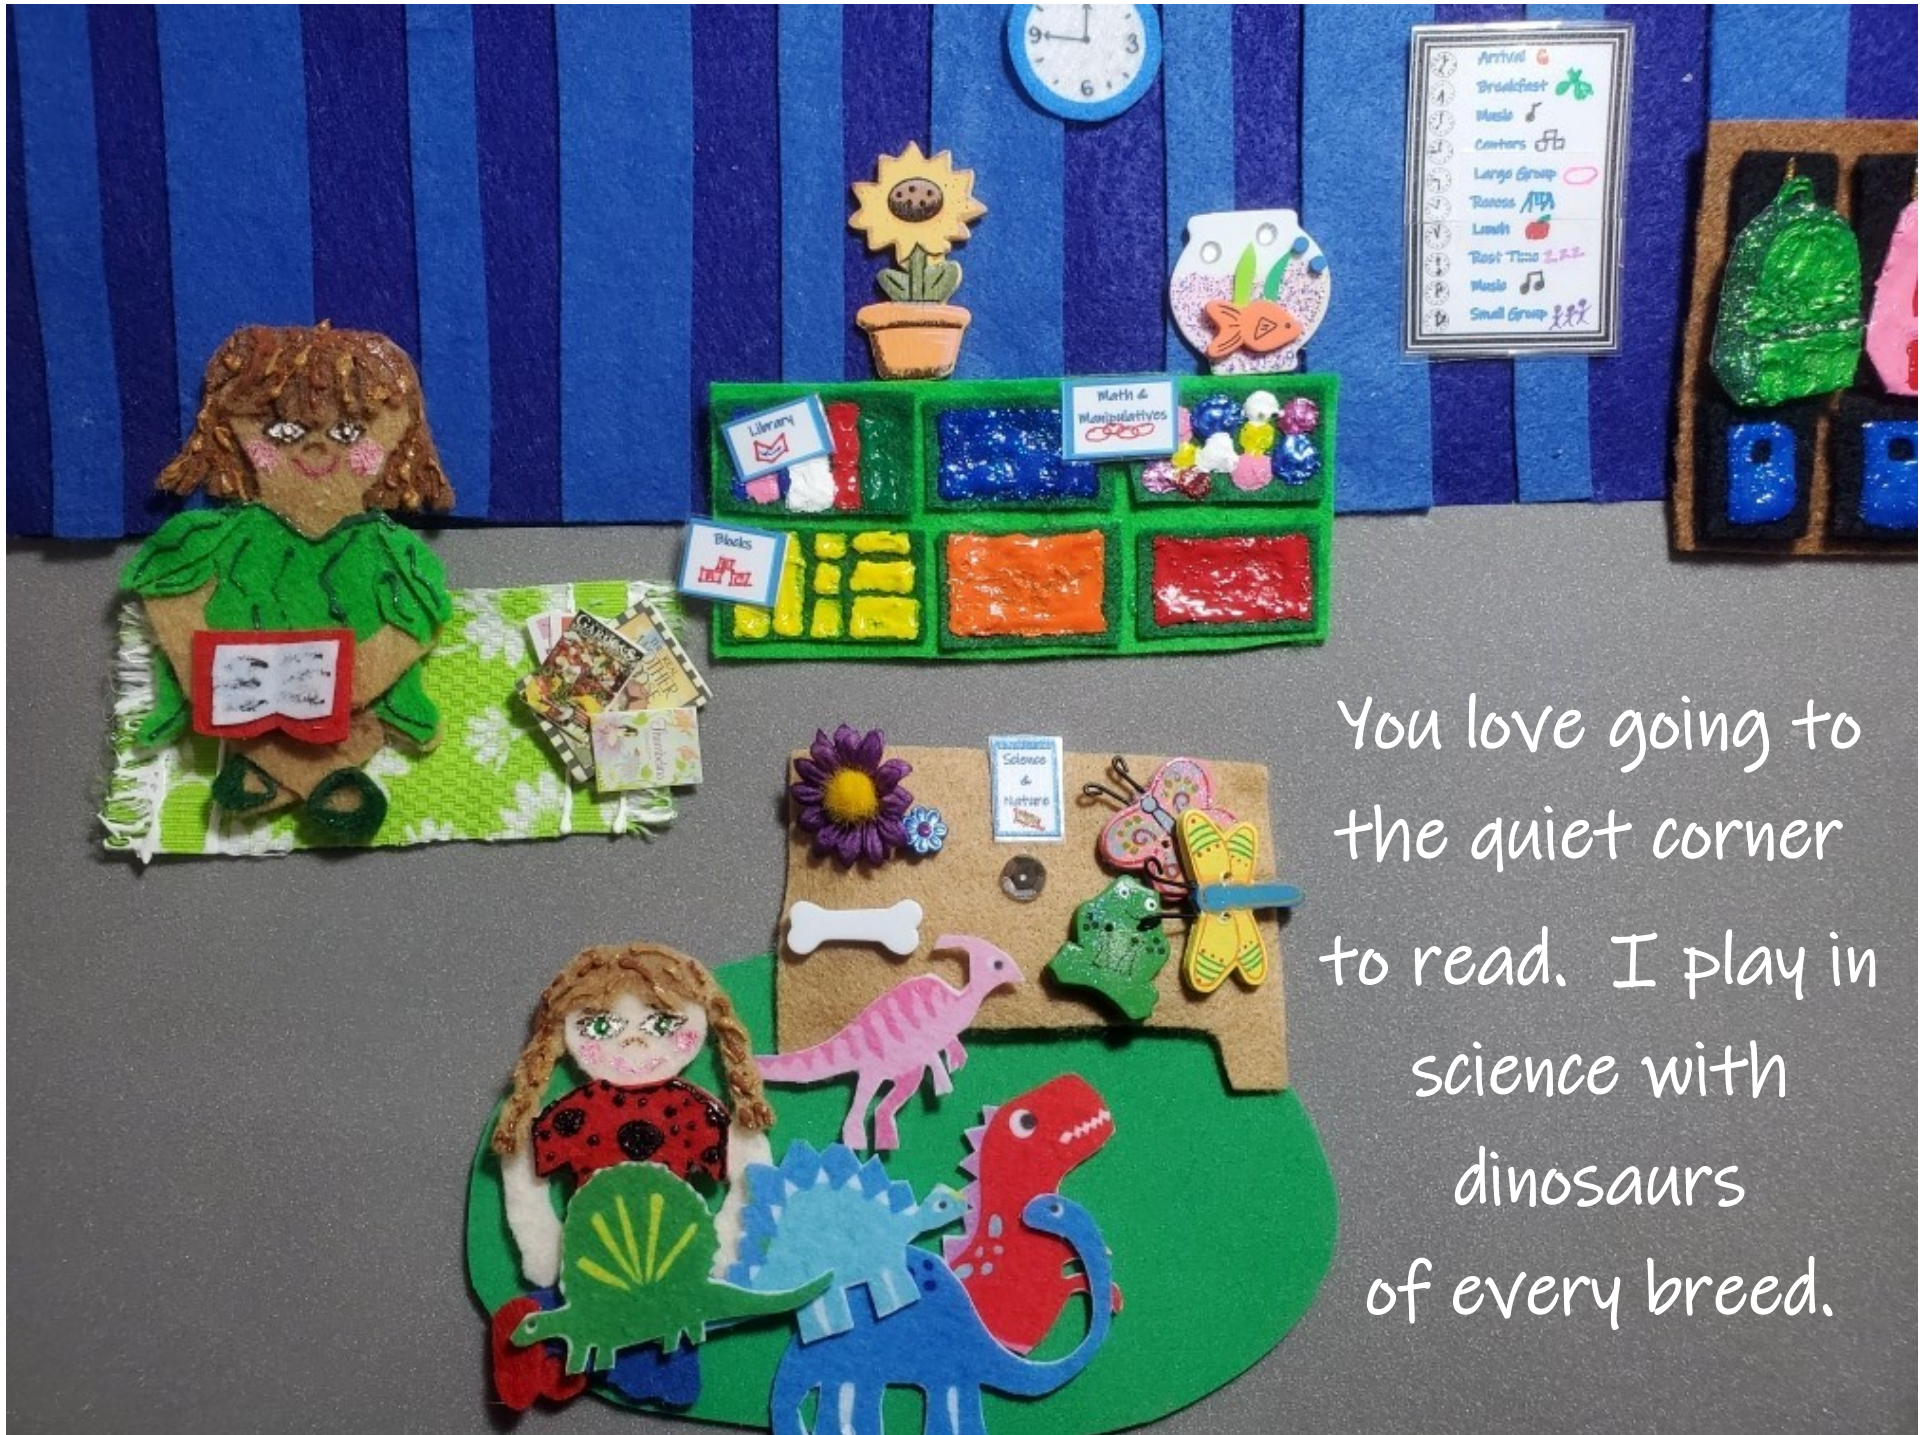

What if rainbows were only gray, It wouldn't do as much to brighten your day.

You come to school
after riding the bus. I
walk with Mama
without a fuss.

We both arrive
ready to learn;
You're different
like me!

You love going to the quiet corner to read. I play in science with dinosaurs of every breed.

We meet up and play with cars at top speed.
You're different like me!

Science & Nature

You use your feet to move around.
I use my wheelchair to cover
ground. We can still
race each other on the playground.
You're different like me!

You take deep breaths when you get upset. I use the cozy corner to help me reset.

We both rejoin
our class once
more, eager to
learn and
explore. You're
different like
me!

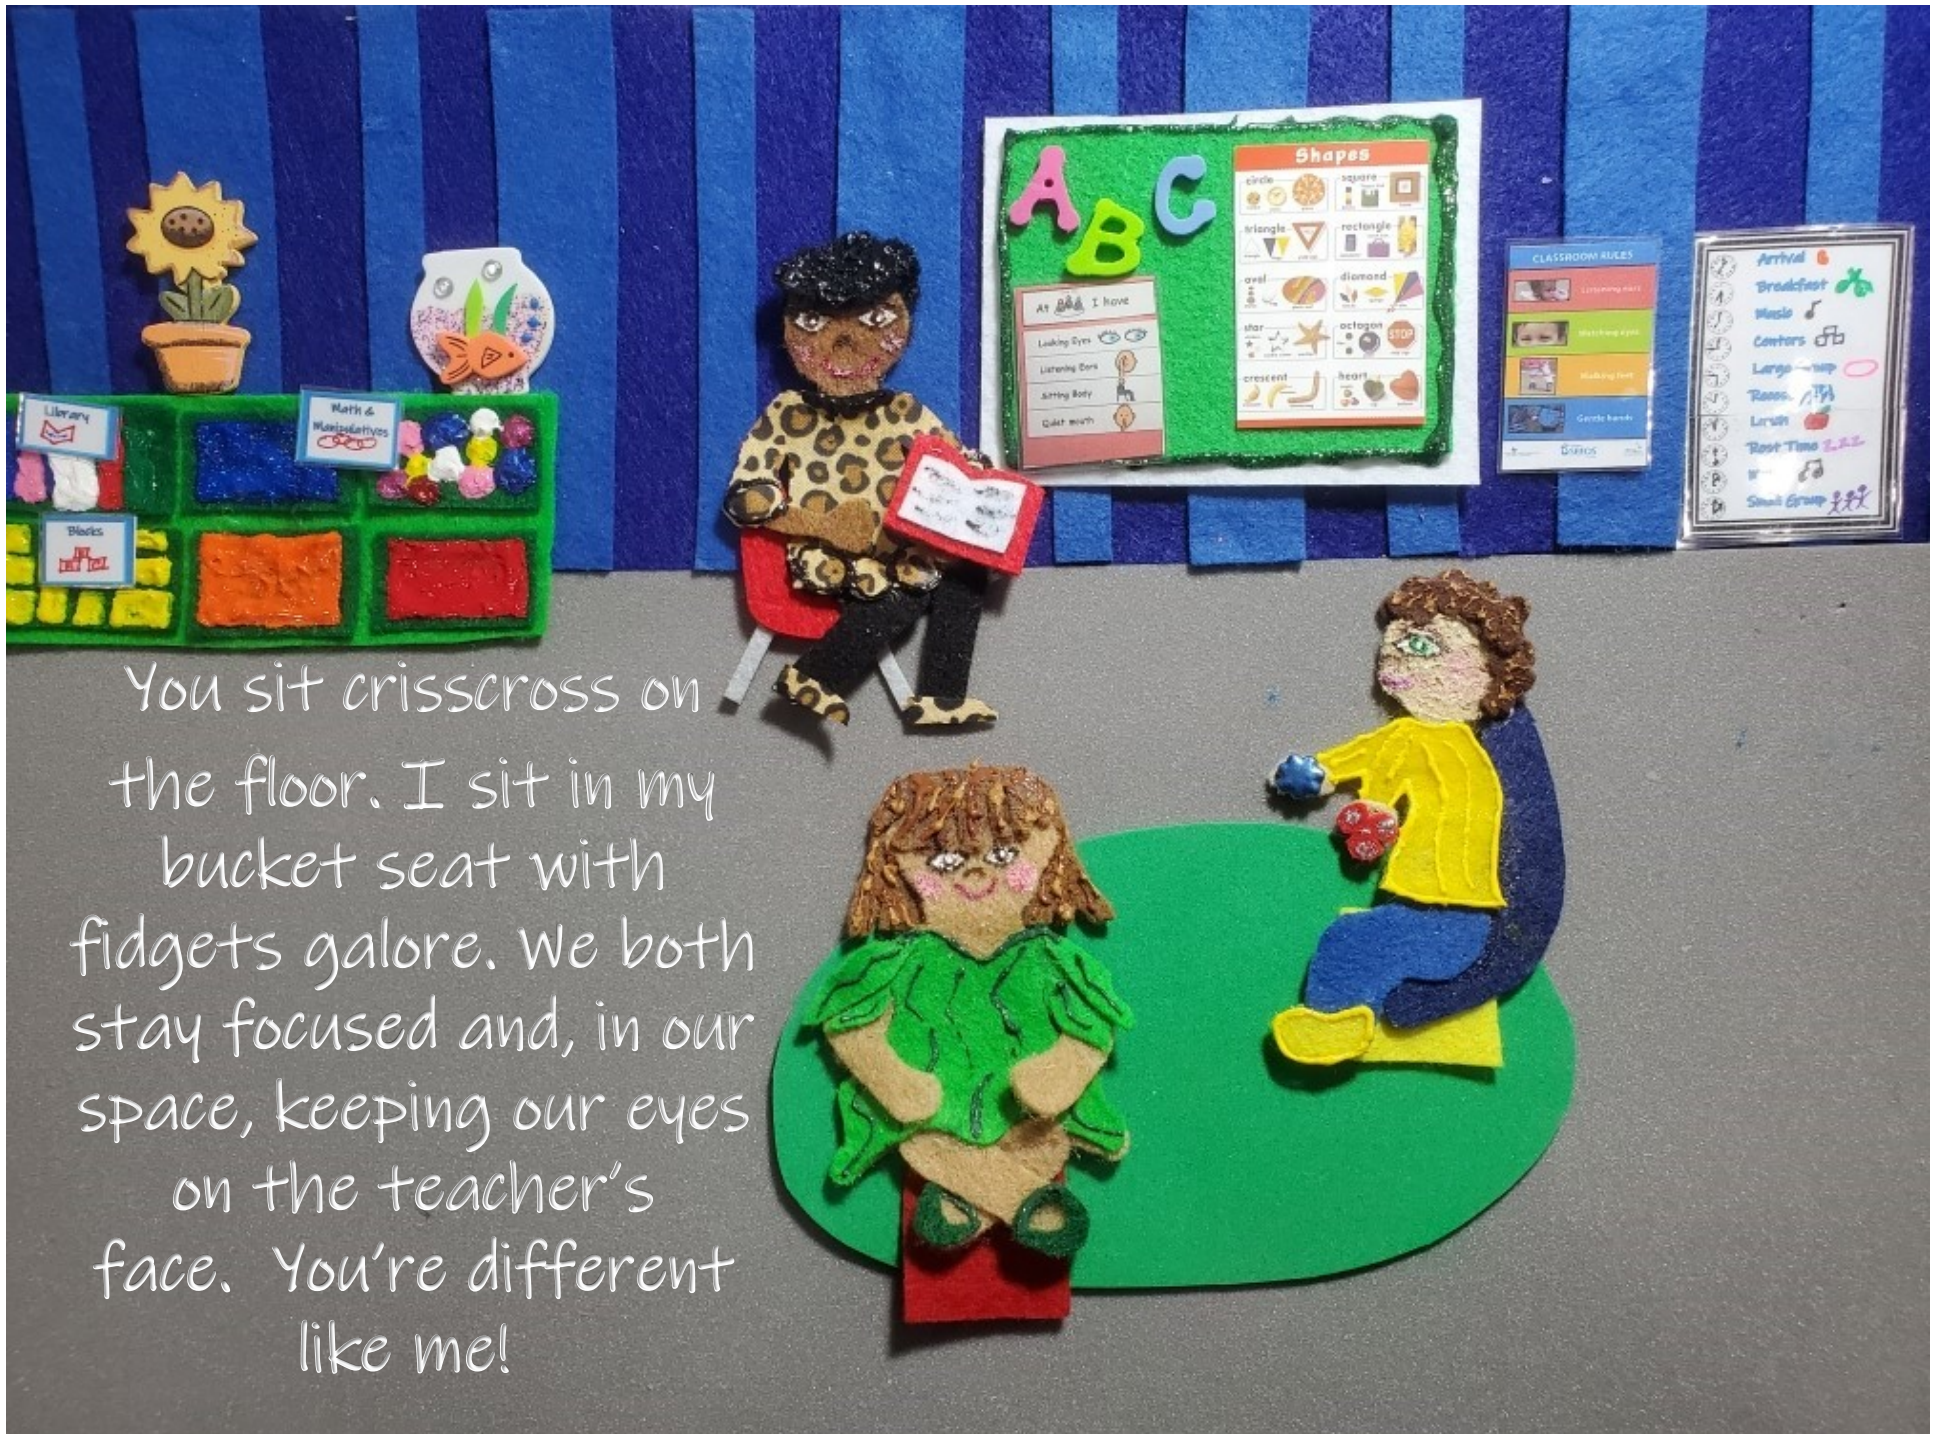

Your skin resembles creamy coffee. Mine looks like sweet butter toffee. When we play in the water table both of our fingers wrinkle awfully. You're different like me!

You get a blanket
to take a rest. I
relax quietly with
a book and
pretend it's my
nest. We both
use this quiet
time to refresh.
You're different
like me!

You sit crisscross on the floor. I sit in my bucket seat with fidgets galore. We both stay focused and, in our space, keeping our eyes on the teacher's face. You're different like me!

Our differences make us unique, but we can still find the friends that we seek.

Our classroom is a great place to be, because everyone is different like me!
