

Dear Pre-K Project Director:

Allow this email to serve as a reminder that **all WSO logins will be disabled on July 1st** so that Pearson can remove all 2018-2019 data and begin preparing the system for the 2019-2020 school year.

Any 2018-2019 WSO year-end reports that you need for future use must be generated now before the data is **deleted on July 1, 2019**.

Administrator logins will be reinstated on **August 1**, and Teacher logins will be reinstated **August 12**. Annual start-up reminders will be sent to you and your teachers via email in August.

If you have any questions, contact us using the WSO Support Request screen available on the BFTS website (http://dec.al.ga.gov/PreK/WSO_Logging.aspx).

Thank you,
Pre-K Assessment Team
