

Orientation Webinar: CAPS/QR Provisional Status

December 17, 2021

**Georgia Dept
of Early Care
and Learning**
BRIGHT FROM THE START

Orientation Purpose

- Explore your rating pathway options
- Learn about Benchmarks of Progress (BoP)
- Learn how the benchmarks will be monitored and reported
- Understand how the BoP will be used by QR and CAPS
- Find out more about the initial program consultation session and what to expect next
- Learn how to select your rating pathway after this webinar

A young child with dark hair, wearing a yellow short-sleeved shirt, is shown in profile. They are holding a magnifying glass over a small white flower on a green stem. The child's right hand is raised, with the index finger pointing towards the flower. The background is a soft-focus outdoor scene with green foliage and more white flowers.

Exploring Rating Pathways

- Expedited Route to Rating
- Traditional Route to Rating

Expedited Route to Rating

- Rating pathway designed for programs that want the opportunity to quickly receive a temporary star rating in the first half of 2022.

Submit portfolio to earn structural quality points

Portfolio scores a minimum of 15 points

1-star temporary rating awarded for 1 year

Increase in Tier Reimbursement if rated 1-Star
15% to 25%

- Programs have up to 6 months to complete the 5 Standards in the portfolio, along with any other assigned benchmarks.
- Rerate in 2023, will select a 2023 cohort November 2023

Traditional Route to Rating

- Rating pathway for programs who want the opportunity to earn up to a 3-Star Rating that is valid for three (3) years.

★ 1, 2-, or 3-star rating awarded for 3 years

💰 Increase in Tier Reimbursement, 25%, 35%, or 55% (based on rating)

Benchmarks of Progress (BoP)

- Determined by rating pathway selected
- 5 Categories or sets of benchmarks
- Customized to individual program needs

Provisional Status Enrollment Benchmarks

- Enrollment benchmarks include those required tasks that must be completed to be successfully enrolled in the provisional status.
- All programs are required to meet the 4 benchmarks.

ROUTE**

Communications Benchmarks

- Consultation With QR Quality Assurance Team
 - Initial consultation session - development and review of BoP Plan
 - Progression check point feedback consultation sessions
 - Follow-up staffing consultation sessions if benchmarks are not being met
 - Exit plan consultation session to manage the final rating process

Portfolio Standards Benchmarks (Required)

- All programs are required to complete all 5 standards in order to submit the portfolio – regardless of rating pathway selected.

Standard 1 – Director and Teacher Qualifications and Georgia Professional Development System Verification

Standard 2 – Child Health, Nutrition, and Physical Activity

Standard 3 – Family Engagement

Standard 4 – Intentional Teaching Practices

Standard 5 – Teacher: Student Ratio Requirements

Practical Benchmarks (Customizable)

- Available for those selecting the Traditional Rating Pathway and plan to rate with an on-site live ERS Observation.
- The number and type of benchmarks selected will vary by program and include the following:

Practical learning objectives - written assignments with feedback

Practical ERS topics - learning webinars and quizzes

Classroom practices - video clips or photographic evidence with feedback

On-site micro-observations - Swivl spot check live teaching with feedback

Hold harmless observation - receive feedback with option to use scores for a rating

Professional Learning Benchmarks

QR Orientation – online training offered through OLLI (Req. for both pathways)

Intro to ERS – online training offered through OLLI (Req. for both pathways)

Big Three – online training offered through OLLI (Req. for Traditional pathway)

Seeds trainings with content related to ERS concepts – online training (OLLI)

Learning cohort group meetings – led by QR staff

- Available to programs in either rating pathway (expedited or traditional).
- One or more Professional Learning benchmark may be utilized based on program need.

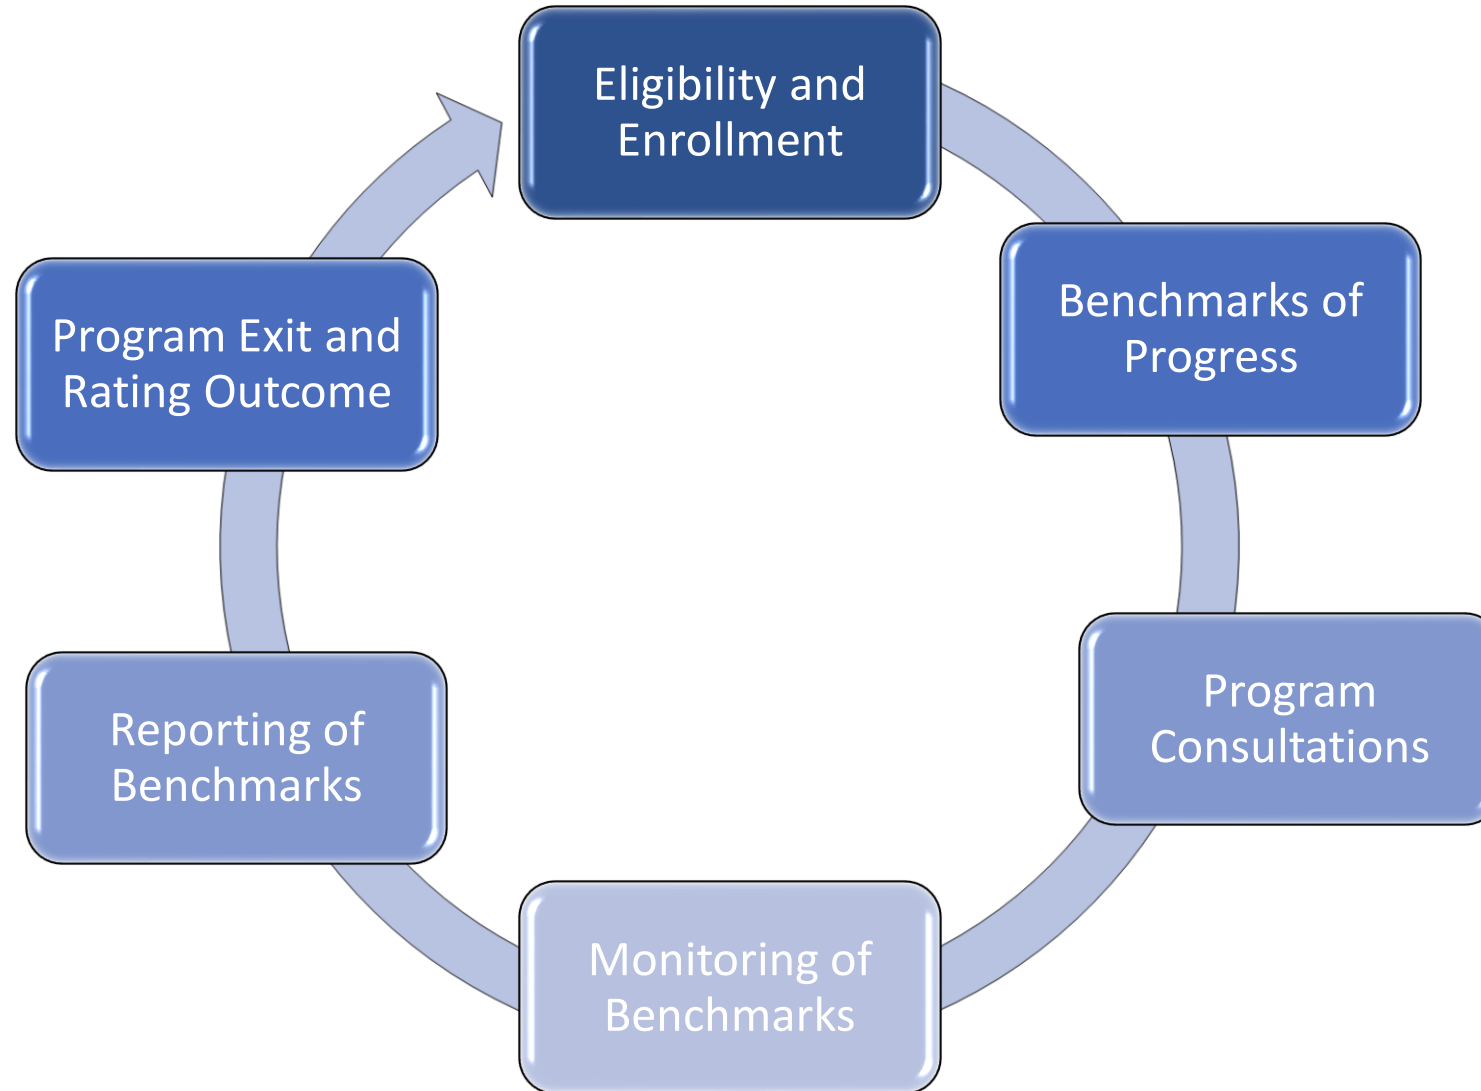

How Benchmarks are used by QR and CAPS

- Case management approach
- Provide accountability with support
- Improve communication and collaboration
- Ensure continuity of CAPS Scholarships

Case Management for Program Improvement

Accountability with Support

- Benchmarks of progress provide for a level of accountability combined with support for provisional providers

Provider Benefits of Probationary Status	
✓	Issuance of CAPS Scholarships
✓	15% Tier Reimbursement
✓	Specialized support

Role Responsibility

Ownership Role

Provider

- Respond to emails & phone calls
- Attend scheduled meetings with TA
- Upload or return documents
- Communicate with TA, QR, & CAPS
- Receptive to TA advice & support
- Be self-aware of check-point dates
- Ask for help when needed
- Complete all benchmarks

Support Role

TA Specialist

- Collaborate with provider & QR
- Develop a TA plan
- Offer practical advice & support
- Help provider follow the BoP plan
- Seek clarifications on provider's behalf
- Use QR feedback to assist provider

QR Assurance Team

- Determine eligibility & enroll providers
- Develop & assign BoP plan
- Create & share tracking tools & resources
- Collaborate with all parties
- Track & monitor provider progress
- Provide feedback to specific benchmarks
- Be aware of check-point dates
- Report provider progress to CAPS
- Make recommendations

Monitoring Role

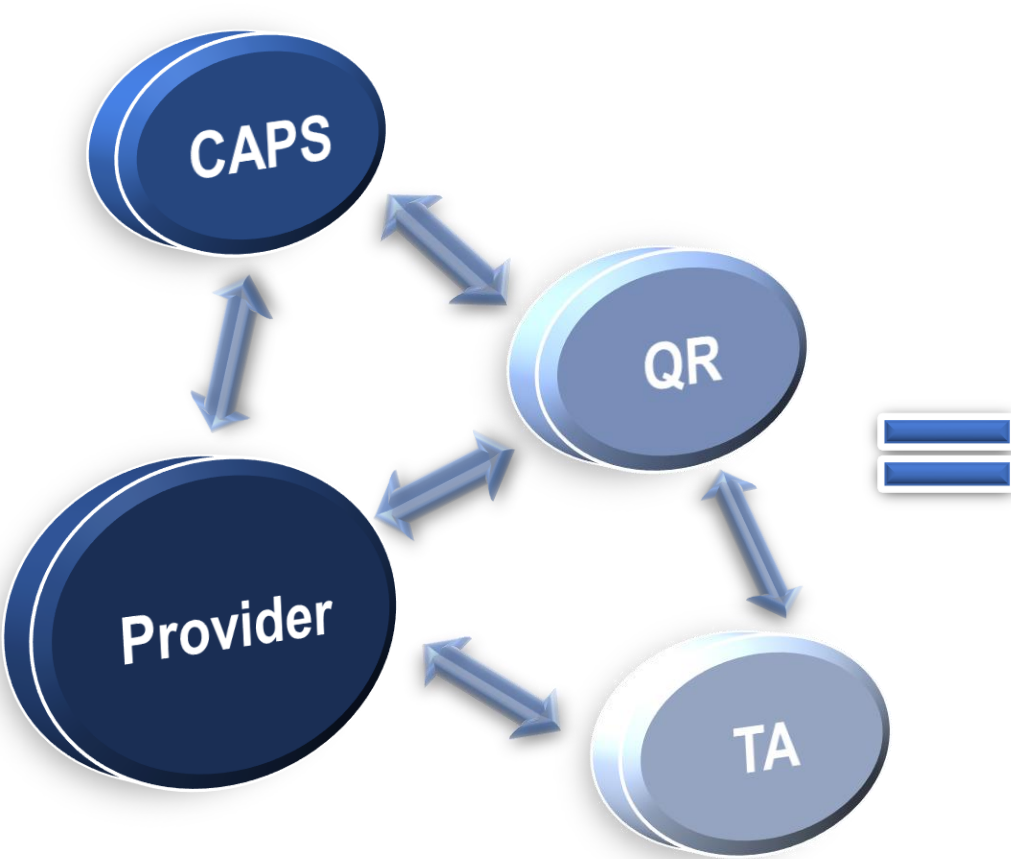

Enforcement Role

CAPS

- Determine provider eligibility
- Collaborate with QR and providers
- Make CAPS dismissal decisions

Improve Communication and Collaboration

- Communication and collaboration are the key factors in your success

Ensure Continuity of CAPS Scholarships

- Benchmarks of progress allow for the issuance and renewal of scholarships

Continuity of care
to families is of
primary
importance

Stay on track,
know your goals
and reach them

Adequate
progress allows
the continuance
of Scholarships

Monitoring and Reporting Benchmarks

- Benchmark check-points
- Measurement of progress
- Reporting progress to CAPS

Monitoring Benchmarks

Benchmarks of Progress
check-points

Each benchmark has a
predetermined check-point
date agreed at the initial
consultation

QR staff monitor program
progress toward benchmark
completion at each check-
point

Monitoring can result in
continuation of the BoP or
a modification of the BoP

What to Expect Next

- Select rating pathway
- Benchmarks of progress will be developed
- Initial consultation session scheduled to review BoP

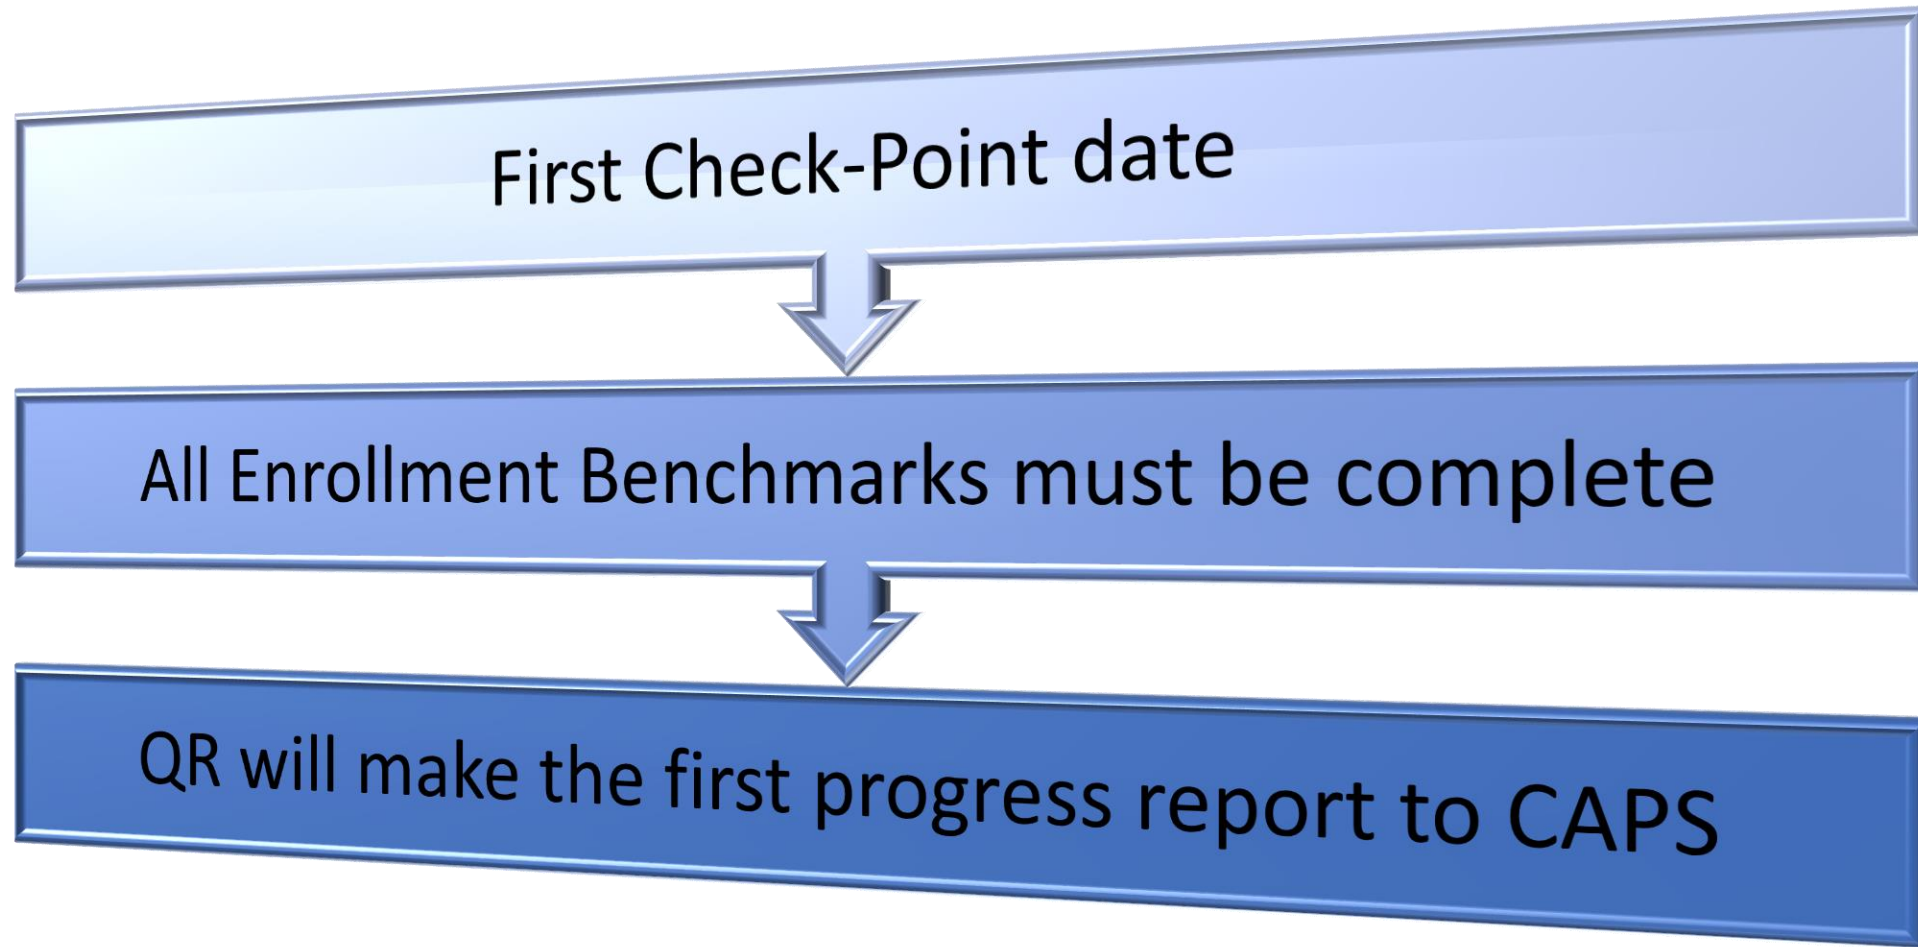

Timeline For Next Steps – December 31, 2021

- Select your rating pathway when the survey link is sent to you
 - Between now and December 31, elect which rating pathway you would like to pursue in 2022, your TA may be helpful in helping you decide.
- Things to consider in choosing your rating pathway:
 - How much time do I have to spend on achieving a rating in 2022, am I committed to making changes to improve my program?
 - How quickly do I want to achieve a rating in 2022?
 - Can I risk earning enough points if I choose the expedited pathway?*
 - Do I want the opportunity to rate higher than a 1-Star in 2022?
 - Do I want my rating to last longer than 1 year?
 - Do I think I will have stable staffing in my program in 2022?

Timeline For Next Steps – December 31, 2021

Timeline For Next Steps – January 2022

- January 2022 – Development and review of BoP

QR Quality Assurance staff will create the BoP documentation for your review.

QR Quality Assurance staff will identify and coordinate appropriate supports and the personnel who can provide them in addition to your regular TA consultant.

Initial consultation session to review the requirements and expectations of each benchmark and determine check-point dates.

BoP plan shared with CCR&R TA, if you have one.

Begin working on benchmarks.

A decorative yellow and orange sun icon with rays, located in the bottom right corner of the slide.

How to Select Your Rating Pathway

- Email invite from surveymonkey to select your rating pathway
- Must be completed by December 31, 2021
- Congratulations – you just completed the last of the Enrollment Benchmarks!

Thanks
