

Eating breakfast gives our bodies the strength and energy to get through the day.

Breakfast encourages healthier eating habits and stops us from overeating at lunch or grabbing unhealthy snacks in between meals.

A healthy breakfast supports our attitude; we are less tired and more energetic which leads to being happier.

Breakfast helps us concentrate on school and work so we can be more active and productive.

Fun Facts About Breakfast

- There are more than a dozen ways to cook an egg.
- Cereal was introduced in 1863 and was called granula.
- February is National Hot
