## **Approved Child & Adult Care Organizations serving Healthy Meals and Snacks to children and adults qualify for cash reimbursement**

*Child Care, Adult Daycare, Head Start, At-Risk Afterschool programs, Emergency Shelters across Georgia may be eligible.*

**Atlanta, Ga., (October 7, 2021)** –The Georgia Department of Early Care and Learning (DECAL) today announced the agency is seeking applications from eligible child and adult care facilities who are interested in participating in the Child and Adult Care Food Program (CACFP).

CACFP is federally funded by the U.S. Department of Agriculture (USDA). The program provides cash reimbursement to eligible institutions for serving healthy, affordable meals to children and adults who are enrolled for care at participating child care centers, day care homes and adult day care centers. CACFP also provides reimbursement for meals served to children and youth participating in afterschool care programs, children residing in emergency shelters, and adults over the age of 60 or living with a disability and enrolled in day care facilities.

DECAL's Director of Nutrition Services, Tamika Boone encourages eligible organizations to apply to participate in the CACFP. "The program not only ensures children and adults receive balanced, nutritional meals and snacks, but it also plays a vital role in improving the quality of care received by making it more affordable for many families."

Federal income guidelines determine a participant's eligibility for free and reduced-price meals through the CACFP. Children who receive benefits through Temporary Assistance for Needy Families (TANF), the Supplemental Nutrition Assistance Program (SNAP), or the Food Distribution Program on Indian Reservations (FDPIR) are automatically eligible to receive free meals through the CACFP.

Adults who receive SNAP benefits, FDPIR benefits, or Social Security Income (SSI) or are Medicaid participants are categorically eligible for free meals. Approved or exempt institutions that offer structured after-school programs with educational or enrichment activities may be eligible to participate in the At-Risk Afterschool component of the CACFP. This program reimburses institutions that serve nutritious after-school snacks and/or a supper meal to children up to 18 years old in a structured environment after school hours. The after-school program must be in a low-income area where 50% or more of the children at the nearest school receive free or reduced-price meals. Qualifying eligibility data can be found on DECAL's website at <http://dec.al.ga.gov/Nutrition/EligibilityData.aspx>.

To learn more about participating in the CACFP, contact Cindy Kicklighter at [cindy.kicklighter@dec.al.ga.gov](mailto:cindy.kicklighter@dec.al.ga.gov) or 678-841-3170. Use the search function (zip code or county) for a list of all local facilities and sponsors, addresses, maps, contact names, and phone numbers.
