#### MEAL COUNT RECONCILIATION

For the current or prior claiming period, for any five consecutive days, determine the number of participants in care according to attendance and enrollment records. Using the Weekly Meal Count Record, document the home's meal counts numbers and attach the Weekly Meal Count Records and the attendance records for the five days reviewed to this form.

Check box if an automated system was used to satisfy the 5-day meal count reconciliation requirement.

- . Insert the mealtime ranges for the home and dates chosen for the five-day meal reconciliation.
- 2. Insert each child's name.
- . Record the meal types claimed for each child from the weekly meal count records for the five-day period.
- Reconcile claimed meals for each child with attendance records for the five-day period.
- Using each child's enrollment form, check if enrollment information is complete and current and compare the days, meals, and times the parent indicated the child would be in attendance to their meal service records to see if they reconcile for the five-day period.
