

Dashboard

What is this?

For all users, the dashboard includes a section for Important Communications. Additional sections are included based on user role. These additional sections may include: Critical Reporting Dates, Service Features, Site Details, My Recent Application, Quick Links, and Learning Resources. These features enable efficient communication, task management, issue resolution, and application tracking within the new GAPREK Provider Portal.

*Primary Authorized Users and Project Directors have the most sections included on their dashboards.

Who can view user specific sections on the dashboard?

- Primary Authorized User
- Project Director
- Site Director
- Financial User
- Data Management User
