

Pre-K Resources for Emergency Closings

As teachers, students, and families deal with school closures, PBS Learning Media producers and educators have come together to curate a special collection of resources organized by grade and subject area. Find videos, lesson plans, and activities that support learning at home. Create a free account to save and organize content.

Featured lesson plans in this collection contain full contextualization for the media they include. Plan and adapt our lessons in creative ways, using the Lesson Builder tool, Google Classroom, Remind, and more.

For early educators, we've assembled packets of printable activities to download and share with parents and students. Check out our [PreK-K packet](#).

For Spanish-language content, see our [Recursos de PreK-12 para Cierres de Emergencia](#).
