

2016-2017 Lead Teacher Credential/Certification Requirements (draft)

A Georgia's Pre-K Program lead teacher must have one of the following valid and current certificates or credentials listed below. Pre-K providers should review the qualifications and conditions carefully to ensure that the lead teacher qualifies to teach in Georgia's Pre-K.

Note: Early Childhood Education (ECE)/related degrees and credentials are verified in the Professional Development Registry (PDR). Georgia Professional Standards Commission (GaPSC) certification is verified through review of www.gapsc.com for all certified teachers.

Two Year Degree (Grandfathered Associate Degree or Montessori Diploma)

The Associate Degree/Montessori Diploma applies only to Pre-K lead teachers who were approved in the 2009-2010 school year with an approved ECE Associate Degree or Montessori Diploma. These teachers will be considered approved as long as they continue employment as a lead teacher with the same program. If the teacher leaves the current program in which he/she is approved, he/she will be required to meet the minimum Bachelor's Degree requirement in the new classroom. If the program currently approved to have an Associate Degree/Montessori Diploma teacher replaces that teacher, the minimum education requirement of a Bachelor Degree or higher credential will apply.

The followed are the only grandfathered credentials:

- Associate of Science/Arts (ECE or related)
- Associate of Applied Science/Technology (ECE or related)
- Montessori Diploma (ECE, minimum of two years coursework)

Two Year Degree Lead Teacher Salary: \$21,029.27
