Brightly Storytime is a resource to help parents raise lifelong readers. Launched in partnership with Penguin Random House, Brightly features book recommendations for every age and stage child.

[Brightly Storytime](#)

- [Pre-K Story Collection](#) This collection of stories contains nine beautifully illustrated read-aloud books for Pre-K. Each book presents 2–4 mathematically rich stories.
- [Math Activity of the Day](#) This page offers daily math activities. Many of the activities will be fun for students of all ages families can do them together. The activities are archived so you can access those shared previously.
- [Family Math Games](#) This page provides math games for home play, provided as downloadable and printable PDFs.
