

Request for Waiver of Teacher Credential

Lead and Assistant Teacher Credential Waiver: Providers are required to staff the classroom with teachers that meet the credential requirements outlined in Section 12.3 and Section 13.3 of the *Pre-K Providers'*Operating Guidelines. Providers that are unable to fill a vacancy with a sufficiently credentialed lead and/or assistant teacher may request a waiver. In order for a program to request a waiver, the teacher must meet the following requirements:

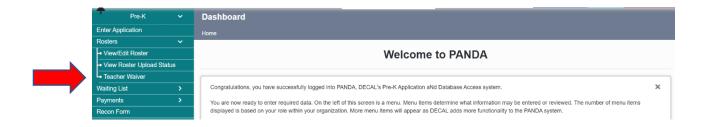

- Be enrolled in a credentialing program prior to the submission of the waiver request. Documentation must be available for review.
- Must be registered in the Georgia Professional Development System (GaPDS).

Important Information: When requesting a NEW waiver for a teacher, please note that the waiver application can only be submitted for the current school year. The application to request a new waiver for the upcoming school year will be available in July when the roster system is open for teacher data entry. Providers will be notified via email when the roster system is open.

To request a credential waiver, go to the PANDA website at http://www.decal.ga.gov/panda

Log in using your user ID and password. You will need Provider Management rights to access the teacher waiver function (this is usually the Project Director).

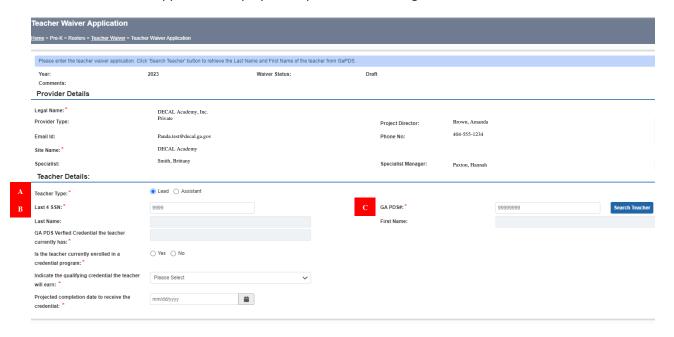

From the menu on the left, select **Pre-K > Rosters > Teacher Waiver**.

Click on **Request Waiver**

The Teacher Waiver Application displays. Complete the following fields:

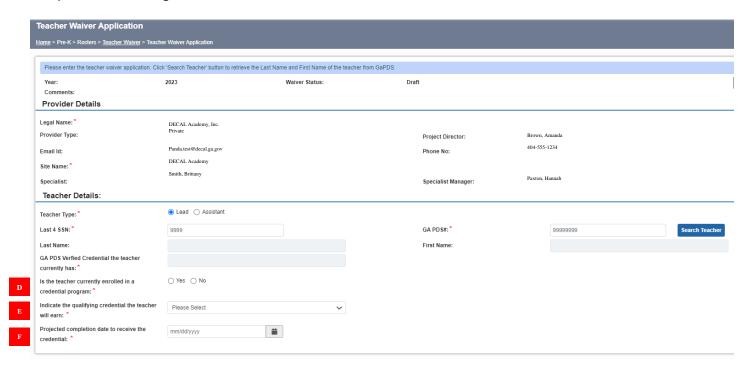

A	Teacher Type	Select the teacher's role in the class.			
B	Last 4 SSN	Enter the last four digits of the teacher's Social Security Number (SSN) exactly as it appears in the teacher's Georgia Professional Development System (GaPDS) profile.			
0	GaPDS#	Enter the teacher's Georgia Professional Development System profile number.			

Click the Search Teacher button. The teacher's last name, first name and current GaPDS verified credential will automatically populate.

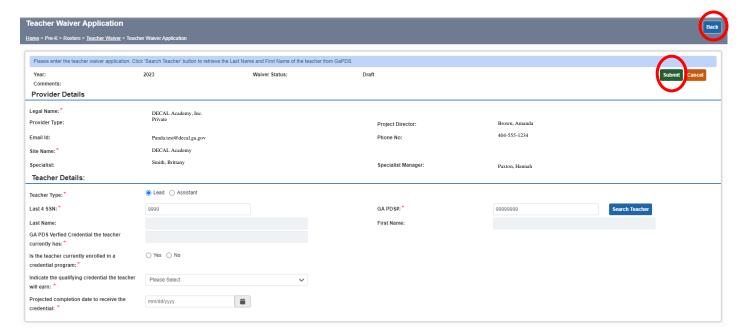

Note: An error message will display if the last four digits of the SSN and GaPDS number are not assigned to the same teacher in the GaPDS.

Complete the following fields:

0	Indicate if the teacher is currently enrolled in a credentialing program.
B	Select the qualifying credential the teacher will earn. Refer to section 12.4 of the <i>Pre-K Providers' Operating Guidelines</i> for a list of qualifying credentials for lead teachers and section 13.4 for a list of qualifying credentials for assistant teachers.
B	Enter the projected date the teacher will receive the qualifying credential.

Click Submit to submit the waiver application for approval. Click the Back button to request another credential waiver.

DECAL Approval

After submission, DECAL staff will review your waiver application. You will receive an email notice regarding the waiver approval status. If approved, the email will contain the approved credential level for the teacher, teacher salary requirements, and the funding rate for the class. Please contact your Pre-K Specialist if you have questions or issues as you submit your waiver request.

Canceling a Waiver

You may cancel a waiver application at any time. To void an application, select the teacher and click the Void button.

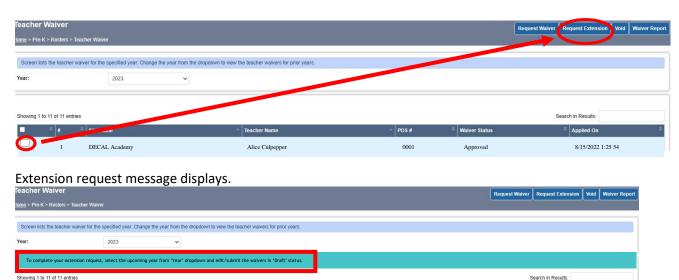

Requesting a Waiver Extension

DECAL Academy

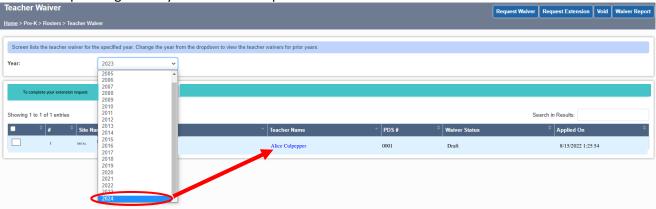

Approved waivers are valid for one school year only. Providers with a waivered teacher who will not hold a qualifying credential when the waiver expires may request a waiver extension if the teacher is pursuing an approved credential. Enrollment documentation must be maintained on site. To request a waiver extension, select the teacher and click the Request Extension button.

Providers may begin requesting waiver extensions in February when the Request Extension button is available.

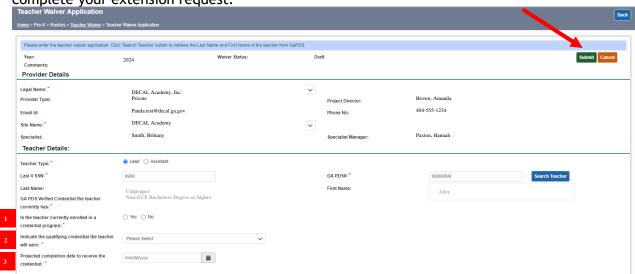

8/15/2022 1:25 54

Select the upcoming school year from the dropdown. Click on the teacher's name.

The Extension Waiver Application displays. Complete fields 1, 2, and 3. Click 'Submit' to complete your extension request."

Pulling Credential Waiver Reports

Select Pre-K > Rosters > Teacher Waiver.

Click Waiver Report.

Select Report Type from the drop-down list.
