

Dear NAME OF TEACHER:

DECAL recently conducted a review of WSO Development Checklists for Georgia's Pre-K students. Findings from the review indicate that you have not entered Period 2 WSO Developmental Checklist ratings for all students in your class.

Please enter your Period 2 ratings as soon as possible. Click the following link for instructions on entering ratings:

If you are a **NEW** GA Pre-K Lead Teacher and have not entered WSO data because you did not attend *2020-2021 New Lead Teacher Virtual Training Session 1 Assessment Using Work Sampling*, contact the GA Pre-K Specialist assigned to your program for guidance in meeting the Pre-K requirements for assessment.

Thank you,  
Pre-K Assessment Team
