Georgia's Child and Adult Care Food Program is available

ATLANTA, Ga., (February 1, 2010) – Bright from the Start: Georgia Department of Early Care and Learning announces the availability of the U.S. Department of Agriculture (USDA) funded Child and Adult Care Food Program (CACFP) at approved facilities throughout the state. Child care centers, adult day care centers, Head Start programs, and before and after school care programs are eligible to participate.

Organizations can participate as either pricing or non-pricing programs. In pricing programs, meals will be available at a free or reduced price to all enrolled participants who meet the approved eligibility criteria listed in the chart below. In non-pricing programs, meals will be available to all enrolled participants at no separate charge to qualifying centers, emergency shelters and all family day care homes.

The CACFP utilizes Income Eligibility Guidelines for Free and Reduced-Price Meals to determine each participant's eligibility for free and reduced-price meals in the program. Child participants who are members of Temporary Assistance for Needy Families (TANF) units, the Supplemental Nutrition Assistance Program (SNAP), or the Food Distribution Program on Indian Reservations (FDPIR) are automatically eligible to receive free meal benefits. Adult participants who are members of SNAP, FDPIR households, who receive Social Security Income (SSI), or are Medicaid participants, are automatically eligible to receive free meal benefits.
