

August - September 2024 Salary Schedule for Pre-K Lead Teachers

The lead teacher salary has two components: base salary and supplemental compensation.

Refer to Section 12.3, 12.7, and 12.8 in the Pre-K Provider's Operating Guidelines for additional information.

Placement on the salary schedule is first determined by the teacher's verified Creditable Years of Experience (CYE), and then by credential type.

•Returning Teachers: August and September payments will include the School Year 2023 – 2024 CYE supplement for returning Pre-K Lead Teachers. Returning Lead Teacher is defined as a teacher who taught as a lead teacher in Georgia's Pre-K program in the 2023 – 2024 school year.

•New Teachers: August and September payments, programs with new teachers will not receive any CYE supplement for any Lead Teachers new to Pre-K. A new Lead Teacher is defined as a teacher who has never taught as a Lead Teacher in a Georgia's Pre-K program or previously taught as a Lead Teacher but not during the 2023 – 2024 school year. (New Teachers will receive supplement in October)
