

# 5 FUN TIPS FOR Handwashing 20 Seconds

05

Encourage the child to sing two songs of their choice during handwashing.

04

Sing a handwashing song that lasts 20 seconds to help children remember the steps.

03

Use a timer and have a conversation with each child about their day as they handwash until it goes off.

02

Encourage the child to slowly count to 20 while they lather. For an extra challenge, try counting in a different language.

01

Set a timer and play Eye Spy as they lather until the time goes off.
