

OPTIONAL COMBINED SITE Visit and REVIEW FORM SUMMER FOOD SERVICE PROGRAM

NOTE: To be completed if sponsor elects to conduct the Site Visit and Site Review at the same time during the first two weeks of operation.

Instructions:

The Site Visit and Review Form is an optional combined form designed to be used by Happy Helpings GA SFSP Sponsors. Use the Combined Site Visit and Review Form for conducting both your first two-week visit and four-week review at the same date and time during the first two weeks of operation. A first two-week site visit and a four-week review is required for new sites, sites with previous or current operational problems, **new rural non-congregate sites** and sites that DECAL determines require a first two-week site visit. Answer the questions below when completing a visit and review. Check "No" if the site is not meeting the requirement or check "NA" if the item is not applicable. Most items answered as "No" will require corrective action. Some items answered as a "No" will only require technical assistance. Both should be documented on the form.
