and Learning**  
BRIGHT FROM THE START

March 1, 2024

Greetings Nutrition Program Operators,

In order to provide our systems with the highest level of security and compliance, it is necessary that GA ATLAS be shut down for scheduled maintenance. Beginning **Wednesday, March 13, 2024**, GA ATLAS will be **unavailable**.

During this time, the application packet will be in **view mode only** which means you will not be able to modify (make changes) to your application. Please note, access to the claim modules will not be impacted. Therefore, you will be able to submit monthly claims for reimbursement as normal.

We encourage you to make any necessary changes prior to **March 13, 2024**, or else the changes must wait until the following week. Access is expected to be fully restored by **Monday, March 18, 2024**. Once access is restored, you may resume normal business functions, which includes completing application updates.

We apologize for any inconvenience this may cause and appreciate your understanding and patience.

Regards,

Nutrition Services
