

On Demand Child Care Training

Featured module:

Georgia Health and Safety Orientation Training—10 Hours 2020-2021

Child care professionals must keep children healthy and safe. Those who care for and teach children need to know how to

- 1) create safe spaces,
- 2) use safe practices with children,
- 3) develop and implement daily illness prevention and management strategies,
- 4) plan to keep children safe if an emergency occurs and
- 5) understand child development.

This ten-hour module provides an overview of health and safety topics and additional required learning for Georgia child care professionals.

Eligible for CEUs
 Accepted for CDA
 Approved by Bright from the Start

This module is available at no cost to professionals who work in child care learning centers and family child care learning homes in Georgia.
