**March 26, 2025 – PALS Session 3: Best Practice for Physical Activity
in ECE Settings: Types, Daily Activities, & the Provider's Role.**
1:00 - 2:00 pm

Would you like an opportunity to examine different types of physical activity and ways to identify how they encourage health and child development? Please join this series where we will address how physical activity can be embedded throughout the daily schedule and can support early learning. Throughout this session participants will consider how they create environments and experiences that support physical activity.

Training Objectives:

- To develop skills to follow the best practices of physical activity in Early Childhood Education(ECE) settings, and
- To identify the role of ECE professionals in promoting physical activity for children birth to age 5.

Participants can earn one [1.0] state-approved hour(s) for attending this training in its entirety.
