The first time you log in, your password will be **initpass** (short for *initial password*). You will be instructed how to change your password on the next screen.

**Note:** If you have already completed these steps to set your password, skip ahead to [the next section](#).

## Passwords

Your password must contain between 10 and 14 characters. There must be at least one number and one special character included.

These qualify as special characters: ! @ # \$ % ^ & \* ( ) + < > ?

You will also be asked to type in a secret question and answer, such as your favorite color or the name of your pet, in case you forget your password.

As the PANDA system will be used to transmit sensitive data, DECAL is requiring that all passwords for the system be secure. Secure passwords are difficult for hackers to break should they somehow obtain a username. Secure passwords are required to meet the several criteria.

Passwords for PANDA must:

- be at least 10 characters in length (no longer than 14)
- contain at least one number (0,1,2,3,4,5,6,7,8,9)
- contain at least one special character (i.e. ! " # \$ % & ' ( ) \* + , - . / : = ? @ [ ] \ ^ \_ { } | ~ <>)

An example of a valid password for the PANDA system is as follows: **dx#psm4hbz**

Your username and password should not be shared with anyone else. You should not write your username and password down and store it under your keyboard or on your monitor where it is readily available.

If you leave your computer or discontinue working in PANDA for more than one hour, you will need to login again when you return. There will be a message reading **Session Timeout** beneath the user ID field.

## PANDA Welcome Screen

You are now at the PANDA welcome screen. The left side of the screen has several menu items, depending on your role with your company. Click the program name, such as Pre-K, to expand the items under it. Possible menu items include User Management, Enter Application, View Application Status, and Edit Company Profile.

### Welcome to PANDA

Congratulations, you have successfully logged into PANDA, DECAL's Pre-K Application and Database Access System. ✕

You are now ready to enter required data. On the left of this screen is a menu. Menu items determine what information may be entered or reviewed. The number of menu items displayed is based on your role within your organization. More menu items will appear as DECAL adds more functionality to the PANDA system.

Choose a menu item by using the left button of your mouse to click on the item. For example, to enter your application for the next program year, click on "Enter Application"; to enter a roster, click on "View/Edit Roster".

If you need assistance, detailed manuals are available for download on the PANDA Resources screen. You may also e-mail your questions to [panda.support@decals.ga.gov](mailto:panda.support@decals.ga.gov). Emails to PANDA Support will be answered during normal business hours.

#### User IDs

Please remember that your user ID and password should not be shared with anyone else. If multiple people within your organization need access to PANDA, each person should have their own unique user ID with the appropriate role assigned. For information on creating user IDs and assigning roles, click [here](#) to access the PANDA Resources screen, then select "PANDA Provider User Management" from the document list.

#### PANDA Resources

Click [here](#) to download the PANDA Handbook, Frequently Asked Questions and other PANDA documentation.

## Requesting Another New Site

Since the application process for new applicants begins in Koala, you will not be able to add additional sites from PANDA. If your company owns more than one site and you wish to apply at more than one of them, you will need to log back into Koala under that site and click the button to request an application there. If the legal names match, the site will be added to the **List of Sites** screen in PANDA. You can then complete the second **Site Form** in the same way as the first.

## Requesting an Expansion Site

## New or Expansion Class Justification

If you apply for a new or expansion class or expansion site, you will see this form after you complete the **Assurances**. Continuation providers not requesting expansion will not see this form. Again, red fields denote required information.

1. Answer each question below for each site expansion request. A. Which site is requesting expansion? B. Number of expansion classes requested at this site? C. How will you recruit students in order to fill the class at this site? D. Provide additional details to support this request.\*

❗

2. Describe the program's administrative oversight in place to manage each of the following: A. Pre-K program requirements B. Supporting teachers and families C. Maintaining compliance with Georgia's Pre-K Operating Guidelines\*

❗

3. Describe in detail how the program will provide support to children: A. Who have disabilities or development delays B. Who display challenging behaviors C. Who are Dual Language Learners\*

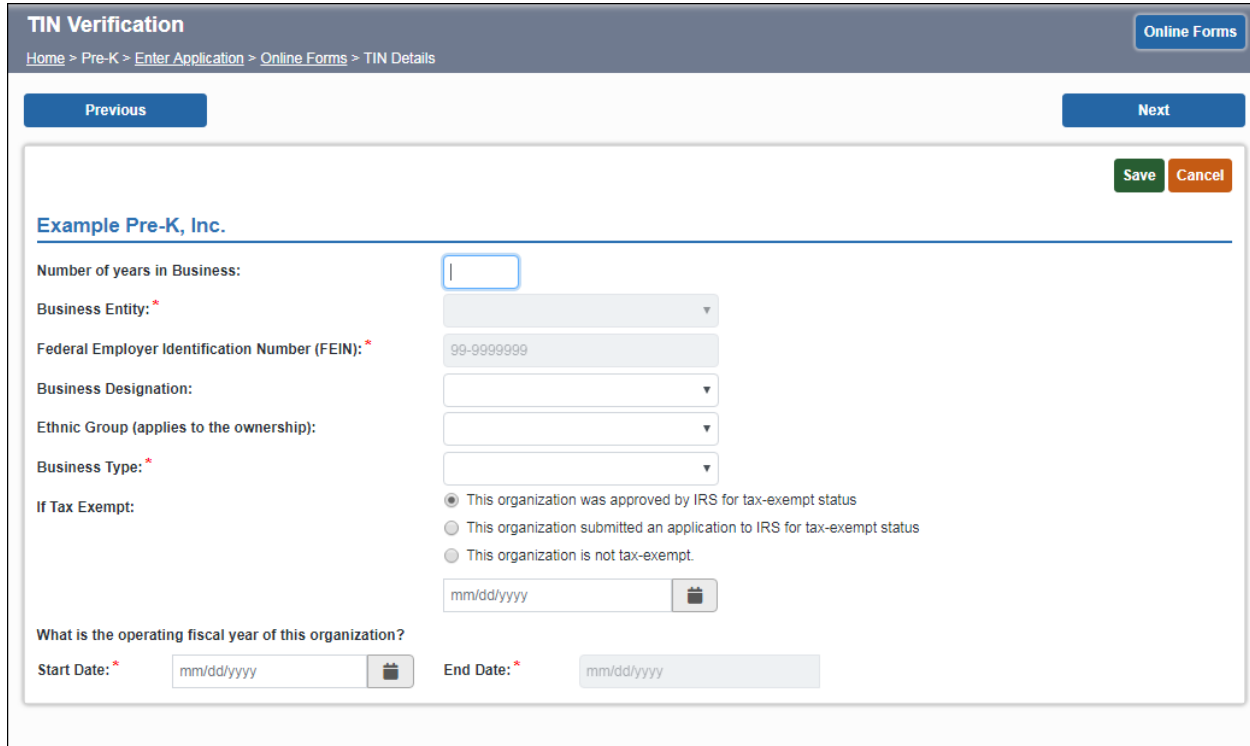

❗

Complete each section and click **Save**. Remember that the system will time you out if the screen is not refreshed within one hour. You may want to type your answers into a word processing program first, then copy and paste them into PANDA to avoid being timed out.

Click **Next** to move on to the **Vendor TIN** screen.

## Vendor TIN

The **Vendor TIN** (Taxpayer Identification Number) screen contains information required of all state vendors under Georgia law.

The screenshot shows the 'TIN Verification' form for 'Example Pre-K, Inc.'. The form includes a breadcrumb trail: Home > Pre-K > Enter Application > Online Forms > TIN Details. Navigation buttons for 'Previous', 'Next', 'Save', and 'Cancel' are present. The form fields are as follows:

- Number of years in Business: [input field]
- Business Entity: [dropdown menu]
- Federal Employer Identification Number (FEIN): 99-9999999
- Business Designation: [dropdown menu]
- Ethnic Group (applies to the ownership): [dropdown menu]
- Business Type: [dropdown menu]
- If Tax Exempt:

  - This organization is not tax-exempt.
- Operating fiscal year: [input field with calendar icon]

- End Date: [input field with calendar icon]

Click **Edit** to make changes if you are not already in edit mode.

Depending on your provider type, you will need to complete certain fields and not be able to complete others. Changes to greyed-out fields require additional paperwork to DECAL.

The **Ethnic Group** question applies to the overall ownership of the company.

Complete the tax-exempt information.

At the bottom of the screen, enter the operating fiscal year of your company. If you operate on the calendar year, enter January 1 of the current year as the Start Date and December 31 of the current year as the End Date. The State of Georgia Fiscal Year runs July 1 through June 30. The Federal Fiscal Year runs October 1 through September 30.

Click **Save** to save your changes.
