

PLAYGROUND SUPERVISION

Stay close. Stay engaged.
Keep children safe.

Remain present and attentive to actively scan the playground to keep children safe. No use of electronic devices.

Spread out and position teachers throughout the playground. Ensure there are no blind spots.

Circulate throughout the play space as needed, moving closer to children who are using advanced equipment or who may need assistance.

Prevent accidents before they occur by positively guiding children to safe choices in their play.

Stay engaged with the children, interacting to encourage their play.
