## **Applications to Provide Georgia's Pre-K Program Now Available**

*Deadline for Applying is 5 PM on March 28, 2025*

**ATLANTA, Ga., (March 10, 2025)** – The Georgia Department of Early Care and Learning (DECAL) has released the application for new and returning providers of Georgia's Pre-K Program for the 2025-2026 school year. Applications to provide Georgia's Pre-K Program for the next school year must be received by DECAL by 5 PM EDT on **Friday, March 28, 2025**.

Georgia's Pre-K Program is an educational program for age-eligible children in Georgia funded by the Georgia Lottery for Education. The research-based, robust program prepares children for success in Kindergarten and later school years. Applicants for the Pre-K grant must be a licensed child care program, local school system, or a Head Start program. Pre-K programs are offered in a variety of settings: public schools; for profit and nonprofit child care learning centers; military bases, and faith-based organizations.

To attend Georgia's Pre-K in the 2025-2026 school year, a child must be four years old on or before September 1, 2025. Georgia's Pre-K Program normally operates on the public school system calendar for the length of a typical school day. This year, approximately 70,000 four-year-olds are being served in 3,785 Georgia's Pre-K classes at 1,912 locations.

“Since its beginning 33 years ago, Georgia’s Pre-K Program has grown and improved to meet the ever-changing needs of Georgia’s children and families,” said DECAL Commissioner Amy M. Jacobs.

“Research supports that, on average, children’s skills in language/literacy, math, self-knowledge, and general knowledge gained during their Pre-K year were sustained through Kindergarten. These findings confirm that Pre-K provides a strong foundation for future learning.

Susan Adams, Deputy Commissioner for Pre-K and Instructional Supports, adds, “Georgia’s Pre-K Program would not, could not be successful without the providers, teachers, and assistant teachers dedicated to engaging Georgia’s four-year-olds every day. We encourage eligible providers to partner with us in fulfilling our mission to enhance the academic and economic future of Georgia’s children, families, and communities.”

## **About DECAL**

The Georgia Department of Early Care and Learning (DECAL) is responsible for meeting the child care and early education needs of Georgia’s children and their families. It administers the nationally recognized Georgia’s Pre-K Program, licenses child care centers and home-based child care, administers Georgia’s Childcare and Parent Services (CAPS) program, federal nutrition programs, and manages Quality Rated, Georgia’s community powered child care rating system.

The department also houses the Head Start State Collaboration Office, distributes federal funding to enhance the quality and availability of child care, and works collaboratively with Georgia child care resource and referral agencies and organizations throughout the state to enhance early care and education.
