**DECAL Announces Georgia's Pre-K Teachers of the Year
for 2023 - 2024 School Year**

Winners from Public School in Cussetta and Private Program in Hoschton

ATLANTA, Ga., (September 23, 2023) – The Georgia Department of Early Care and Learning (DECAL) has named its Georgia's Pre-K Teachers of the Year for the 2023-2024 school year just in time for the annual Georgia's Pre-K Week October 2-6, 2023. The public-school winner is Charlotte Richards from Chattahoochee County Pre-K in Cussetta and the private child care center winner is Merodie Brown from New Odyssey for Children in Hoschton.

As Pre-K Teachers of the Year, Richards and Brown each receive \$3,000 for themselves, \$3,000 for a classroom makeover, and \$1,500 to cover costs while they are out of the classroom representing Georgia's Pre-K Program. Winners serve as ambassadors for Georgia's Pre-K Program by public speaking, representing the program at various meetings, and modeling effective classroom practices.

The winners were selected from six semi-finalists. Each finalist submitted a small group video scored by outside judges, had a CLASS observation and faced a panel for a personal interview.

“Since the beginning of Georgia’s Pre-K Program 31 years ago, more than 2 million children have entered Kindergarten better prepared to succeed in school,” said DECAL Commissioner Amy M. Jacobs. “That preparation has been possible only because of dedicated Pre-K professionals who work with their students every day. Honoring exemplary Pre-K teachers by recognizing Pre-K Teachers of the Year is one way to thank them for their hard work.”

Among other requirements, candidates for Georgia’s Pre-K Teacher of the Year must have been employed as a Georgia’s Pre-K lead teacher during the 2022-2023 school year, taught as a lead teacher in a Georgia’s Pre-K classroom for a minimum of three years, and must be planning to continue as a lead teacher in a Georgia’s Pre-K classroom during the 2023–2024 school year.

This school year more than 77,000 four year olds are attending Georgia’s Pre-K Program. The voluntary, lottery-funded Pre-K program has been recognized as one of the top programs in the nation, based on quality standards, teacher qualifications, and enrollment.
