

## School-Age Help and Relief Effort (SHARE) Grant Application Guidance

The Georgia Department of Early Care and Learning (DECAL) School-Age Help and Relief Effort (SHARE) grant application is available for child care providers who care for and support school age children. This funding opportunity was made possible by funding provided through the Coronavirus Response and Relief Supplemental Appropriations Act (CRRSA). The funding is intended to help support child care providers who are incurring additional expenses while caring for and supporting school age children while they attend school virtually and during the summer months to provide academic and social enrichment programs. It is recommended that prior to applying providers read all guidance and estimate their eligible funding to help them decide how they wish to allocate their budget. **For questions regarding the grant or grant process, you can contact the Georgia Statewide Afterschool Network at [grants@afterschoolga.org](mailto:grants@afterschoolga.org). For questions regarding any difficulties with submitting the application, you can contact the United Way of Greater Atlanta at [SHAREapplication@unitedwayatlanta.org](mailto:SHAREapplication@unitedwayatlanta.org).**

## School-Age Help and Relief Effort (SHARE) Grant FAQ

### The Grant

#### **What is the School-Age Help and Relief Effort (SHARE) grant?**

The School-Age Help and Relief Effort (SHARE) grants come from a portion of Coronavirus Response and Relief Supplemental Appropriations Act (CRRSA) funding disbursed to Georgia's Department of Early Care and Learning (DECAL). This funding will support child care providers who are incurring additional expenses while caring for and supporting school age children while they attend school virtually and during the summer months to provide academic and social enrichment programs.

#### **What is the size of the SHARE grant?**

Applicants will receive funding based on pre-determined funding tiers. Family Child Care Learning Homes will be eligible for \$500 grants. Grants to licensed and eligible license exempt centers will range from \$800 to \$2,000 based upon licensed school age capacity.

#### **What can SHARE grant funds be used for?**

SHARE grant funds may be used to enhance technology to support students who attend school virtually during the school year and to support summer education activities to prevent learning loss. Funds can also be used for equipment, materials, and after school curriculum designed specifically for children 5 to 12 years old.

### Eligibility

#### **Who is eligible to receive a SHARE grant?**

The grants are available to DECAL licensed child care programs that serve school age kids and Family Child Care Learning Homes that serve school age kids. License-exempt providers who have served at least one school age child since May 1, 2019 who is enrolled in the Childcare and Parent Services (CAPS) program are also eligible.

#### **If a program has more than one location, can they apply for multiple grants?**

You may apply for a grant for every eligible program site that has a separate license or license exempt ID number.

#### **Can you qualify for a grant if you received a PPP loan/grant?**

Yes, receiving PPP funding does not preclude an eligible provider from receiving a school age grant.

### Requirements

#### **Is there anything required from me to receive the grant?**

All grant recipients must attend a 2-hour training on Best Practices in School Age Care and Development. This virtual training will be offered live twice during the application window, and be available for on-demand viewing following the first session and until the application deadline. The live trainings are scheduled for June 1 at 2pm and June 9 at 12pm. Registration for the webinars can be found:

- Live on June 1, 2021 2:00-4:00 pm ([Register here](#))
