

Supporting Onsite Learning for Virtual Education Program

Scholarship Eligibility Requirements

Overview

To receive SOLVE Scholarships, families must meet the following eligibility requirements:

- The family's income may not exceed 85% of the state median income (SMI). However, families of students with qualifying disabilities do not have an income eligibility requirement.
- The child or young adult must be enrolled in a Georgia charter school or public school system that is primarily offering virtual learning (50% or more of classroom instruction is virtual for any grade level kindergarten through 7th).
- The child or young adult must be 5-12 years of age, or up to 22 years of age with a qualifying disability, and enrolled in a kindergarten or higher classroom.
- The parents must be attending work, school, or a combination of the two.

Family Weekly Payment Responsibility

- If the rates charged by the provider are greater than the SOLVE payment amount, you may be responsible for the difference.
- The total amount you owe your provider each week may be decreased, depending on any discounts the provider offers at their discretion.
- Families with students with a disability may be eligible for a higher scholarship payment amount.
- The amount you owe may increase if your provider increases their rate.
- Your provider may charge other fees not covered by SOLVE.
- Please confirm your parent weekly payment responsibility with your provider.
