

Georgia Dept of Early Care and Learning

February 19, 2024

Greetings CACFP Providers,

In celebration of **National Child and Adult Care Food Program (CACFP) Week**, March 10-16, 2024, Small Bites Adventure Club is teaming up with the Georgia Department of Early Care and Learning's (DECAL) Nutrition Services Division to provide CACFP operators with free resources to prepare and taste fruits and vegetables with students in their classrooms.

Educators can sign up to receive **FREE** digital resources to celebrate National CACFP Week by making a "Very Berry" smoothie. The digital resource kit includes step-by-step instructions, a "how-to" video, family engagement activities, and even a special guest on Zoom during the week!

The first 25 CACFP sites to register will also receive an apron, measuring spoon set, printed lesson plans, and stickers. The activity is linked to Georgia Early Learning and Development Standards (GELDS) and is a simple, fun way to engage kids in trying new things! Remember to use the hashtag, **#CACFPWeekGA** to let us know when you participate in activities for CACFP Week.

This project is funded by the USDA Farm to School grant awarded to DECAL in July 2023.
