For strategies on acknowledging and addressing implicit bias, take a look at this resource. #GaSEEDSforSUCCESS</p> <p>Addressing Implicit Biases in Early Childhood Education</p>
 <p>NURTURING POSITIVE CHILD-TEACHER RELATIONSHIPS</p> <p>WHY SHOULD YOU DEVELOP POSITIVE RELATIONSHIPS WITH YOUR STUDENTS?</p> <p>Positive child-teacher relationships are important to young children's social, emotional, and cognitive development. A secure child-teacher relationship helps young children develop secure relationships with peers and other adults. Building this relationship can also help reduce the frequency of challenging behaviors and increase young children's engagement across contexts.</p> <ul style="list-style-type: none">POSITIVE ATTENTIONPOSITIVE DESCRIPTIVE FEEDBACKNONCONTINGENT REINFORCEMENTRECIPROCAL CONVERSATIONSPROXIMITY AND PLAYTIMEREPRESENTATION IN THE CLASSROOM <p>See the pages that follow for tips on nurturing positive relationships with children!</p> <p>BARTON LAB VU BARTONLABVU@GMAIL.COM</p>	<p>When young children have positive interactions with their teachers, it strengthens every aspect of their development.
