Looking for Summer Camps that follow

COVID-19 Prevention Guidelines?

Use the **DECAL/QCC COVID-19 Summer Camp Checklist**

- ✓ Does the program have systems in place to maintain enhanced sanitation procedures, maintain physical distancing between groupings, and comply with other CDC COVID-19 considerations for summer camps?
- ✓ Does the program have policies to ensure appropriate hand hygiene upon arrival and throughout the day?
- ✓ Are playground times staggered and children separated into small groups for all activities to facilitate proper social distancing and to limit mixing?
- ✓ Are the same staff and campers in the same group for the duration of the camp?
- ✓ Is camp equipment sanitized after each group use?
- ✓ Are all campers screened for fever and symptoms at drop-off?
Is staff screened for fever and symptoms daily?
- ✓ Is training provided to workers on how to identify symptoms of illness in campers, the proper processes for removing a potentially ill camper, and the infection mitigation procedures to perform in such an event?
- ✓ Is there an isolated area designated for workers or campers who become sick?
