

# Technology Tools

SOME COMPANIES ARE OFFERING FREE SERVICES FOR LEARNING BECAUSE OF THE CORONAVIRUS OUTBREAK.

## WEBSITES

### Literacy

- [Heggerty](#) On the top of the page you will see, “In response to Covid-19.” Click on “Learn More” to access videos. You can find additional lessons to use at home under the resources tab on the website
- [ABC Mouse](#) They are offering free accounts to schools that have been closed. Click [here](#) to apply for a free account.
- [Fluency Fitness](#) This a great website to get kids moving and work on literacy. Free for parents during the closures.
- [Starfall](#) This is a great place to review the alphabet and an even better place for practice reading.
- [Seussville](#) This website has a lot of books, videos, and games to play.
- [Vooks](#) Animated story books! Free to parents for 1 month.
- [Storylineonline](#) This website is loaded with stories read by the authors and celebrities.
- [ProjectGutenberg](#) is a free library of over 60,000 free eBooks that include a children’s literature category

### Math

- [Cool Math](#) is always free and is a fun place to play math games.
- [Zearn Math](#) is always free and is great for math practice.

### Other

#### (math + literacy, science, online book reading sites and more!)

- [PBS Learning Media](#) This offers resources and lessons. Inspire your children with videos, games, and activities aligned to state and national standards.
- [Sesame Street](#) You’ll find videos, games, and art projects online.
- [ABCYa](#) is a great site that has a ton of different literacy and math games for the students to play.
- [Scholastic](#) provides many favorite books for kids. Students can visit the Scholastic website for a wealth of educational activities from grades pre-k and up.
- [TVOKids](#) The preschool tab offers music, math, literacy videos, games and more!
- [Mystery Science](#) has pulled its most popular science lessons and is offering them for anyone to use for free. While not “Pre-K”, the “Kindergarten” tab offers wonderful activities! No account or login is needed.
- [How Stuff Works](#) Want some fun conversation starters or need an answer to a creative question by your child – head to How Stuff Works.com. From *How the Shamrock Shake Became McDonald’s Mintiest Legend* to *What’s the Difference Between a Mountain Lion and a Cougar?* You’ll have fun exploring this site!
- [NPR Comic for Kids about Coronavirus](#) Want to talk to your child about coronavirus in a ‘kid-friendly’ way? This comic can be viewed or printed to share with your child.
