BRIGHT FROM THE START

Greetings CACFP & Happy Helpings Providers.

The National Hurricane Center has predicted that Tropical Storm Helene is approaching the northeastern Gulf Coast and is likely to make landfall Thursday morning. It is anticipated that the storm may intensify into a hurricane. The storm's path may include Georgia. We hope that your community will not be adversely impacted by this storm.

However, if your organization and feeding program meal operations were to be affected by this weather event, please email Tammie Baldwin at Tammie.Baldwin@dec.al.ga.gov or call 404-656-6332.

As a reminder, DECAL's Disaster Preparedness Guidance is located on our [website](#). The memorandum is applicable to organizations participating in both the CACFP and SFSP and is designed to remind organizations of the various flexibilities that exist when preparing for or experiencing a disaster.

Regards,
