

The Ideal Curriculum for Children in Preschool

*If children are offered suitable opportunities to learn, they can do more than just fly; they can soar!*

- Dr. Bisa

# It's Time for a Change!

## Early Care and Education has NEVER seen a curriculum like WINGS!

Parent Packet

WINGS Curricular Framework				
W	I	N	G	S
<b>Wonder</b> Anything that causes children to think or speculate curiously, admire, be amazed or in awe, surprised, or puzzled.	<b>Interests</b> Anything that is personally meaningful to or draws the attention of the adults and children within the classroom.	<b>Needs</b> Developmental, cultural, or exceptional conditions or situations that must be addressed for proper development and learning to occur.	<b>Goals</b> Intentional statements differentiating where children are intellectually, socially, and emotionally—as well as how far they can go.	<b>Skills</b> Naturally acquired abilities and talents that become more evident as children grow and develop.

- ✓ **Monthly Parent Buzz Newsletters**

**Aligns with NAEYC's Indicators for Effective Early Childhood Curriculum, Assessment and Evaluation**

*WINGS: The Ideal Curriculum for Children in Preschool* is an active and interactive learning system for effectively organizing and implementing developmentally and culturally appropriate practices based on the interests, needs and skill levels of children from birth to age 5.

*WINGS is an acronym for Wonder, Interests, Needs, Goals, and Skills. The framework guides adults in using children's W-I-N to teach G-S—a WIN-WIN strategy!* 😊

## DECAL-approved!
