Pre-K Summer Transition Program Offered Again in 2024

ATLANTA, Ga., (March 1, 2024) – The Georgia Department of Early Care and Learning (DECAL) will again offer a summer transition program for rising kindergarteners in summer 2024. Enrollment is prioritized for students who:

- Did not attend a Georgia’s Pre-K Program or Head Start program during the 2023-2024 school year
OR
- Did not attend for a Georgia’s Pre-K or Head Start program for the full school year
OR
- Any student may also be eligible for attendance by meeting one of the following priority groups:
 - Child identified as needing additional academic support by their teacher or other data
 - Dual language learner (Home language is a language other than English)
 - Foster care placement
 - Child’s family is without permanent housing (homeless as defined by McKinney-Vento Homeless Assistance Act)
 - Child with an Individual Education Program (IEP)

“Georgia’s Pre-K Program helps prepare four-year-olds academically and socially for kindergarten,” said DECAL Commissioner Amy M. Jacobs, “but some children did not attend Georgia Pre-K or they attended Pre-K but need additional support before entering kindergarten. DECAL created the Summer Transition Program (STP) to help these students.”

“The Summer Transition Program is a great opportunity for these young students to build their skills and confidence before moving into kindergarten,” added Susan Adams, Deputy Commissioner for Georgia’s Pre-K Program and Instructional Supports. Adams said the program will begin in early June.

Child care programs that have a status of compliance and/or good standing with DECAL programs (Pre-K, Child Care Services, Nutrition Services, Audits and Compliance, and Childcare and Parent Services (CAPS) are eligible to offer a Summer Transition Program.

Providers are chosen to participate through a competitive application process. Applications are available to providers beginning today with a submission deadline of close of business **Friday, March 15, 2024**. Locations chosen to provide the STP will be announced in April. After classes are awarded, a list of STP providers will be posted to www.decal.ga.gov, and parents can register their children directly with the programs.

Summer 2024 will be the 14th year DECAL has offered the STP. According to independent researchers who have evaluated the STP, the program has significantly impacted the children served, especially in their crucial language and literacy skills.
